MARK WEISENSTEIN

1977

Look not mournfully into the Past.

It comes not back again.

Wisely improve the Present.

It is thine.

Go forth to meet the shadowy Future,

Without fear, and with a manly heart.

Henry Wadsworth Longfellow

Littleton High School *Littleton, Mass.*

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to?
Do you know?
Do you get what you're hoping for?
When you look behind you there's no open doors.
What are you hoping for?
Do you know?

Once we were standing still in time,
chasing the fantasies that filled our minds.
You knew how I loved you, but my spirit was free,
laughing at the questions that you once asked of me.

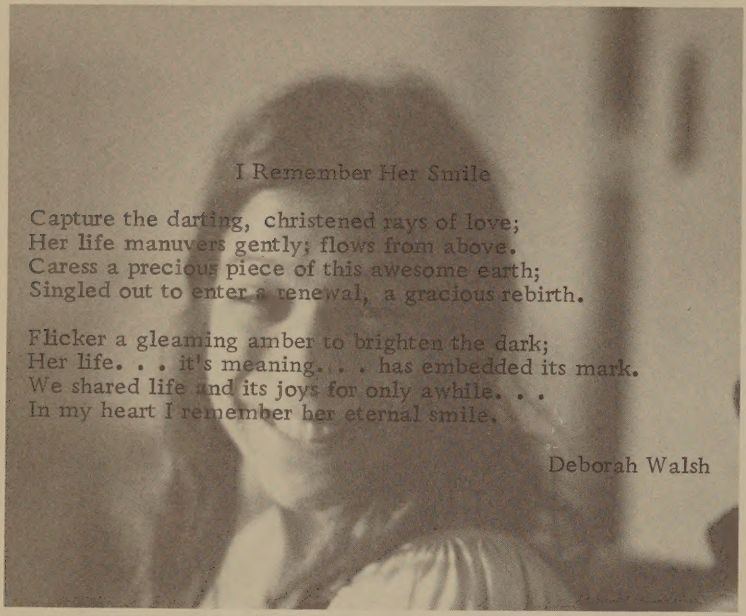
In Loving Memory



I Remember Her Smile

Capture the darting, christened rays of love;
Her life manuvers gently; flows from above.
Caress a precious piece of this awesome earth;
Singled out to enter a renewal, a gracious rebirth.

Flicker a gleaming amber to brighten the dark;
Her life. . . it's meaning. . . has embedded its mark.
We shared life and its joys for only awhile. . .
In my heart I remember her eternal smile.

Deborah Walsh

My Special Friend Amelia

You were so good and honest.
I'll never forget your twinkling brown eyes, your giggling laugh, your sweet smile and your cute dimples.
You were like a ray of sunshine to us all. You always had time to listen. We had shared so many happy times, and so many special ones. We have laughed and cried together.
From heaven you were sent, "An Angel", to be our special friend. You had a great love for life, and it gleamed throughout you. Your will power and strength was beyond reasonable forces. Though you were here for such a short time, you have left in each one of us a beautiful memory.
You will always stay in our hearts forever and ever.

Marina Rowe

MY AMELIA

There is a new angel in Heaven
Without a worry or a care

All the angels are rejoicing
Because the new one is there

How her dark eyes sparkle
How her face does shine

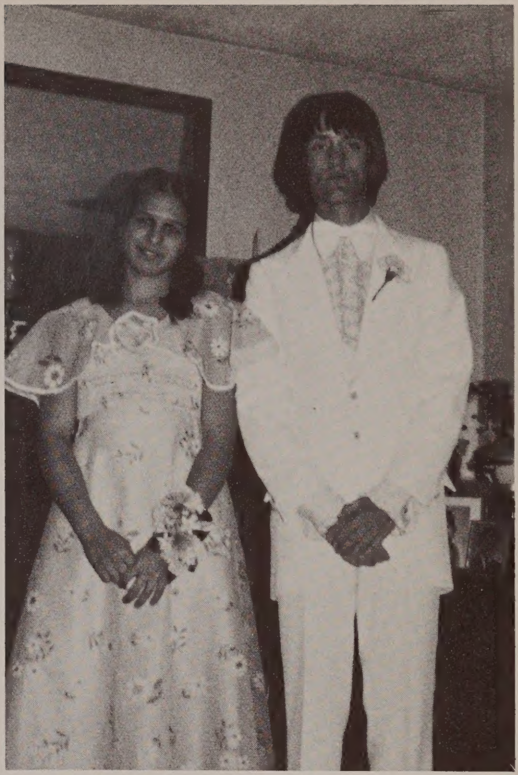
For she has found a glory
That is not yet yours or mine

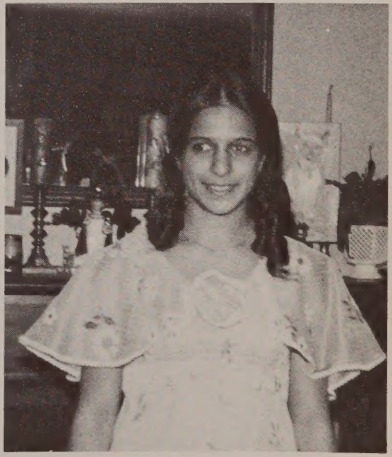
She sits at the feet of Jesus
And he tenderly holds her hand

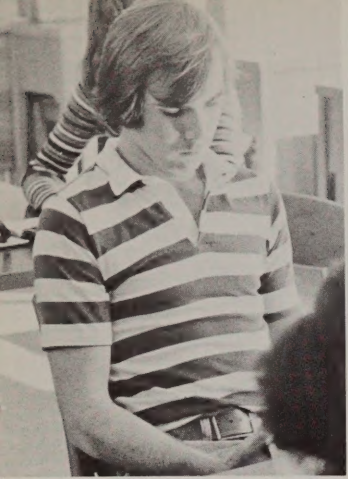
She sees all joys and wonders
Everything that is good and grand

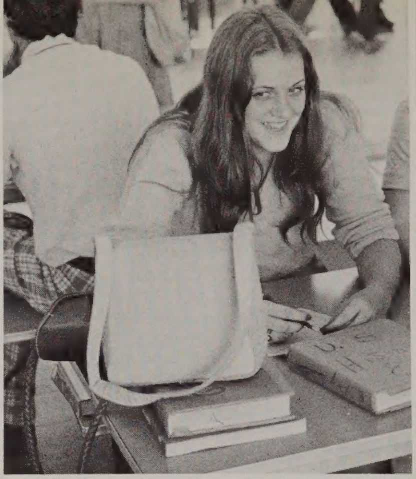
And God is holding her tightly
In the hollow of his hand.

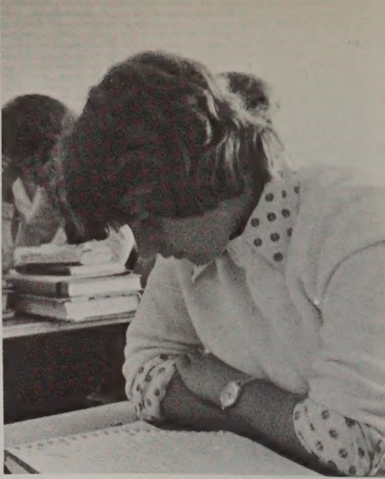
Cindy

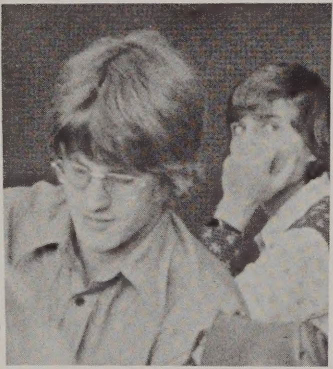












To See a World

To see a world in a grain of sand
And a heaven in a wild flower,
Hold Infinity in the palm of your hand
And Eternity in an hour.

Homecoming

To celebrate the homecoming, a homecoming court was chosen, the Tigers won, and a spaghetti supper was held. Second to the game, the dance that night was the highlight of the day. The homecoming court and escorts had the first dance. Carol Murphy was this year's homecoming queen, and her court included senior--Debbie Walsh, junior--Renita Sousa, sophomore--Andrea Ware, and freshman--Gina Jeansonne. ''Sabre'', with their flashing colored lights and a variety of music attracted a full gym. To keep these people dancing, the band played many old favorites along with the newer hits. ''Color My World'' received applause, as did Mike Hunt's solo in ''Rock All Night'' by Kiss. Dancing for these ranged from the jitterbug and the bustop, to the hustle and the bump. ''Wild Thing'' ended the activity at 11:15.

'Patience"

While the LHS auditorium may be blessed with the sound of music two or three times a year, local talent can also be heard in nearby community theaters. This year two sophomores, Jackie Axtman and Eric Mann, added their voices to the chorus of ''Patience''. A Gilbert and Sullivan opperetta, ''Patience'' concerns such characters as rapturous maidens, a milkmaid, and Dragon Guards. Jackie was one of ten maidens, and Eric marched across the stage among the guards. This production took place back in November, but judging by their performance, they will appear in many more.

Powder Puff

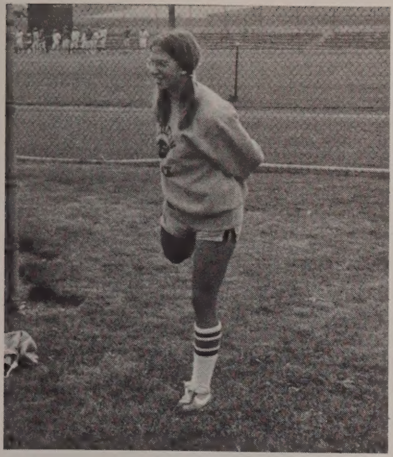
Drawing a crowd perhaps as big as any other football game, the powder-puff game kicked off at 12:30 on Nov. 20. The junior girls faced the seniors for a serious game of football, and ended up winning 20-12. This was quite a letdown for the seniors, especially Becky Brooks, who scored their only two touchdowns. Others, who seemed to always be in the middle of the action included Becky Whitcomb, Cheryl Eithier, and Sue Curley, who made the final tackle. Some may wonder if the juniors displayed an excessive amount of skill, or if they psyched out their opposition. Rather than being hit by number 85, the seniors had to deal with a 6 7/8, an H2O, Monique Girard's ''?'' '', and nothing on Kathy Merz. Whether they used skill or wit, the juniors pulled ahead in the first half, and continued pulling to win.

Not all of the action took place on the field. Lively cheerleaders bounced about on the sidelines. Wearing the regular skirts and sweaters, these cheerleaders added their own special touch, odd sneakers and yellow and gray argyle knee socks. Composing this bevy of beauties were Mike Hunt, Paul Crory, Richard McGrath, and Paul Kerrigan. They entertained the crowd with a victory cheer, ending with ''kill, kill, kill,'' and a very wild ''groovy'' cheer. Never known to be lacking in enthusium, they offered the players help on the field as well as on the sidelines. They even scored a touchdown in a moment of frenzied excitement. Most of the spectators sat on the senior, or home side, probably because that's where the action was. Potential junior cheerleaders chickened out at the last minute. If they set an example for future classes, the success of the powder-puff game may be in jepordy.

Although equating the juniors to the dogs on the field may not be an ethical form of announcing, Fuzzy Karr should be applauded. Without his interesting commentary on the game, players, cheerleaders, and food, much of the humor would have been lost. Orignally, Fuzzy was joined by only Roule Piche and a few others. As the wind picked up and the temperature dropped, the announcing booth began to fill, until it held almost one whole section of the stands.

During all of this action, a very successful bakesale was going on in the Booster's booth. A full line of tonic, donuts, cookies, cakes, cocoa, candy and coffee was being sold by the senior class pres. Brian St. Denis, Marcia Learmouth, Pat Callahan, and assorted others.

Combining a beautiful day, a good football game, interesting sideline action, excellent announcing, and delicious food usually adds up to a success, and this was no exception.



Cross Country

Back in October, the only girl on the cross country team qualified for the State Finals, Cross Country Meet at Franklin Park, Boston. Margaret Chase first represented the LHS cross country team in the girls invitational meet in Bolton on October 27, against twenty-two other high schools. Because of her place in this meet, she was chosen to compete in the District Finals at the Gardener Municipal Golf Course on October 30. Among ninety other girls running the course, Margaret finished fourteenth proving what we have known for some time. Littleton has some of the fastest runners around.

David Birse, top runner on the cross-country team, lead the Littleton team to its best record in many years. Although there aren't many distance runners, David was one of the most dedicated, continuing to run races each week in Tewksbury. A member of the varsity team for three years, he received a medal for his 15th place finish at Lawrence Academy on Oct. 16 '76. He had an excellent time of 14:32 for the 2.8 mile course. During the regular season David placed first for Littleton in every meet. At his last home meet, he missed the LHS course record by one second.

Christmas Concert

On December 17, the LHS Music department presented its annual Christmas concert. The band began the program with a combination of Christmas and concert music. ''Hosanna in Excelsis'', ''Three Songs For Christmas'', and ''A Mighty Fortress'' were balanced by a rousing ''Battaglia'' and ''Rhythm of the Winds''. After a short break, the chorus entered to sing Motzart's ''Gloria'' and ''Sing A Song of Merry Christmas'', Bach's ''Jesu, Joy of Man's Desiring'', and the contemporary ''Come Saturday Morning'' and ''Only Yesterday''.

A bake sale was held in the cafeteria during intermission. Just before starting the next section, Mr. Platt was interrupted by the arrival of some presents. Too impatient to wait until Christmas, he unwrapped a new baton, a whistle, and some manuscript paper.

The last portion of the program consisted of music familiar with those who attended the football games. ''Real Goodness'', arranged by John Higgins was the only piece not arranged by Bill Moffitt. This was only fair, since the University of Houston used Mr. Platt's arrangement of ''Bad Blood''. The marching music included ''The Masterpiece'', ''Sky High'', ''Not Fragile'' and ''Son Of A Preacher Man'', featuring the LHS Majorettes.

"Anything Goes"

An ''Anything Goes'' was held at Ayer on December 3, 1976, between Ayer and Littleton High Schools. Patterned after the T.V. show, this game had a similiar format. Teams from each school competed against others on their respective grade level.

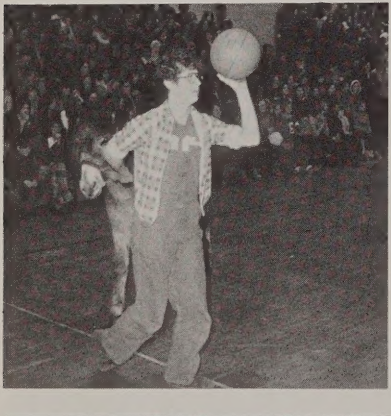
Littleton's teams consisted of two boys and two girls from each class with alternates. Those chosen from the senior class were Gary Graham, Byron Hobson, Karen Hansen, and Robin Dion, with alternates Jeff Leving and Sue Curley. Juniors were Garvin Chandler, Eddie Chapin, Chris Kelley, and Ann Stenstrom, with alternates Robert Riley and Renee Boschetto. Sophomores Fred Gurney, Randy Root, Kathy Trainor, and Laura Biagoni were joined by their alternates Mark Bradley and Robin Priest. Those chosen from the freshman class included Steve Sawin, David Shaffer, Dawn Rouille, and Debbie Tirone, wth alternates Dale Morrison and Lisa Marchi.

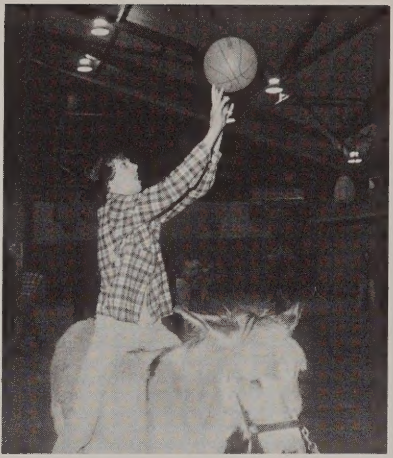
Events in which the seniors competed were ''Touchdown'' and ''Living Donut'', Ayer won the first, Littleton the second. The juniors had an unfortunate record in the ''Stockroom'' and ''Kick Off'' events, Ayer was victor in both. Sophomores followed the senior's example and split their events. Ayer won the ''Sack Race'' while Littleton won the ''Bakery Shop''. Freshmen entered three events rather than two. Littleton won the ''Bowling'' and the boy's ''Orange Bowl'', but the Ayer girls defeated Littleton's freshmen girls in ''Back Seat Driver''.

The outcome of all this activity was that Ayer won over Littleton by a slight margin of 65-55. Without looking at the scores, it was a fun night for all and an excellent way to play off extra energy on the gym floor.

Donkey Basketball Game

Last winter a donkey basketball game was held between the junior and senior classes. Although the goal, to score as many baskets as possible, was the same as in a regular game of basketball, there were many differences. The uniform of jeans or overalls and work shoes was more practical when dealing with donkeys than shorts. Dribbling down the court is a possibility, but it's rather difficult with a stubborn mule in tow. Jump shots, or lay-ups are out of the question. Rules state that the player must be sitting on the donley when he takes a shot. Because they haven't had time to get acquainted with the player, or maybe because they know enough already, the donkey can sometimes present a problem. Brian St. Dennis had a hard time with one that bucked. Other junoirs on the team were Marina Rowe, Pat Callahan, Terri Roy, Lynne Bouchard, Jimmy Jordan, Debbie Ogilvie, Donny Jones, and alternate Sue Curley. Facing them were Ron Parsons, Howie French, Judy Ursh, Tom Carberry, Suggy Douglas, Shawn McKenna, Sandy Sachetti, Tim Gilbert, and Linda Whitcomb. The juniors competed against the seniors in a long losing battle. Per usual an interesting commentary was provided by Fuzzy Karr.





Girls Track: State Finals

Sue Lacey, Anne Stenstrom, Becky Brooks, and Becky Whitcomb, all members of the track team, qualified for competition in the Girls State Class Championship. The competition was held on May 29, at the Blue Hills Regional High School in Canton. Anne Stenstrom, a sophomore at the time, placed fifth in the high jump with a height of 5'1''. Becky Brooks, competing in both the javeline and the 440, had a bad day and failed to place. Becky Whitcomb later joined Anne in the 80yd low hurdles. Together they qualified for the quarter finals, but the competition was tough there and neither made it into the finals. One of last year's seniors, Sue Lacey, set a new meet record with a distance of 109'4'' in the discuss, capturing first place, of course.

Wachusett League Concert

On March 4, the annual Wachusett League concert was held at Murdock High School. Many music students in both junior and senior high schools in the Wachusett league area auditioned for the bands and choruses on January 31, at Tahanto Regional High School. For the students from Littleton, this was an unforgetable experience. Two hours were spent in the school while a flat tire on the bus was fixed. Later that night nine of those from the High School received word that they were in the band.

These students were Sue Butterworth, Kathy Baker, and Andrea LaBlanc on clarinet, Dave Tierney on bass clarinet, Roy Calless on baritone saxophone, Rich Cavanaugh on trumpet, and Steve Rowse on trombone. Both Beth Demers and Mary Baker had the honor of being first chair on French horn and flute. Rehersals began on February 14, at Nashoba Regional High School. The second rehersal was held at Murdock on March 2. That next Friday was a final rehersal and concert, also at Murdock.

A variety of pieces were played by the senior band. ''Tribute to Sousa,'' arranged by Jeno Donath, ''Stars and Bars'' by Robert Jager, ''Symphonic Movement for Band'' by William Goldstein, and ''Finale from Kalinnikov's Symphony No. One'' by Glenn Cliffe Bainum were all performed. John Dunlap, director of the band at Fort Devens directed the senior high band. All of the preliminary work; determining the members of the band, deviding music, etc, was done by Mr. Alyn Platt, stage manager.

Senior Raffle

After some debate, the school committee finally decided to allow the conducting of raffles at the senior level. This move was approved at the end of November. In February the Seniors each received six sets of raffle ticket, selling three, or one set, for a dollar. Prizes are a $100 gift certificate at Bradley's Ski and Sport Shop, a $50 gift certificate at the Music Shack, and dinner for two at Russo's. The drawing for these prizes will be held on March 4, 1977.

Girls On Skates

Ice hockey is not a new sport, but the idea of girl's ice hockey is. In the past four or five years, girl's ice hockey teams have been forming all over the country, espicially on the northeast. The local Assabet Valley Girl's Ice Hockey, has three L.H.S. participants: Margaret Chase, Suzanne Curley, and Debbie Walsh (all three of these players are playing at the B level). There are three levels within a team that play at least one game and have at least one practise per week: the A level (junior--ages 13-older) the B level (bantam ages 13-18) and the C level, (novice--ages 13-under). Other players on the team reside in Acton, Boxboro, Concord, Carlisle, Marlboro, and other surrounding towns. Assabet's season is fairly long, running from October 1, to the end of March.

The A team has some fine players, and has traveled and played well against college teams from Colby, Brown, and Ithica, N.Y. (The A team is a bit more physical than the other two.) Last year the A team traveled to Deerfield, Michigan, and won the National Championship in the Girl's Junior Division.

Unlike the A team's constant winning, the B team has had a rough start, but it's not from lack of effort. At this point the team is working towards a national playoff spot. They are already in the New England Playoffs. Both playoffs will be held in Concord this year. The B team travels, too, although all league games are in Concord.

The majority of players this year on the C team are beginners and they haven't fared so well against more experienced C teams. Next year this C team will have the experience while other C teams have graduated their players to the B team.

These three levels may play differant games, but they all meet at the end of the season. An annual banquet is held for the Assabet Valley Girls Ice Hockey at the end of March, allowing them a chance to dress up and meet girls from the other teams.

Senior Play Plans

Plans are now in motion for a Senior Class play. Cathy Cooper, a 1972 graduate of the L.H.S., has offered to direct this years production. Because of the enthusaiastic response, an organisational meeting was held on February 14th. The amount of guys who signed up to act will decide which play is to be performed. Suggestions have included, ''The Rivals'', ''Comedy of Errors'', ''Waiting for Godot'', ''The Sandbox'', and Scenes from Shakespeare, the Classics and from Calculus (?). Positions in back as well as on stage will allow ample opportunity for those who wish to devote their time to this event.

NHS—New Members

New members of the National Honor Society were installed last fall, during an afternoon ceramony. Mary Baker, president of Littleton's NHS, began the installation by welcoming the new members and reading the pledge. Then Ellen Whitcomb, Emilie Whitcomb, and Lisa Smiley, officers of the NHS, lit four candels symbolizing the four parts of the National Honor Society. As each new member received their card and pin from Mr. Jean, they signed the book and all posed for pictures. Refreshments were served once gowns were supposedly returned to the cloak room. New members of the National Honor Society include Debra Andexler, Henry Baker, Ephraim Baron, Karin Borda, Robert Brigham, Elizabeth Broughton, Garvin Chandler, Jeff Cohen, John Comeau, David Dubiel, Angela Gerbi, Timothy Goddard, Geoffrey Hobart, Richard Holden, Micheal Kilpatrick, George Maynard, Kathleen Robinson, Kent Romily, Steven Rowse, Lisa Sachetti, Bonnie Seymour, and Joanna Sparkes.

Emilie Whitcomb In Chicago: 4-H

Last May, members of local 4-H Clubs submitted records of their projects to be judged on a county level. Emilie Whitcomb, then president of the Littleton Regional Hack and Tack Riding club, was one of the winners. Because of this, she qualified for the state finals. Again she won, and with the advice of those officials, she extended the record of her bike safety project and submitted it to be judged within a ten state region. In October she received word that she would join approximately 15,000 other 4-Hers from around the country for a week in Chicago. Grouped with others who had submitted bike safety projects, she had in depth seminars on this topic and discussions dealing with current events. While in Chicago, Emilie toured the Art Institute, the Sear's Tower, and the Museum of Science and Industry. Entertainment offered to them included the usual dances and an opportunity to see ''Danny Davis and the National Brass.'' Emilie has been a member of the 4-H Hack and Tack Riding Club for the past eight years, holding the offices of news reporter, secretary, and president. She also has a horse and a pony and has won numerous ribbons and trophies.

68 Degrees?

On February 10, 1977, all students in the Littleton Public School system received notices from Mr. Desjarlais. In this letter to all students, teachers, and parents he stated that the school committee had approved the lowering of all school building thermostats to 68 during the day. Students at LHS realize this is an attempt at conserving energy, but the announcement was met with some laughter. They said that keeping the temperature up to 68 might be a better goal.

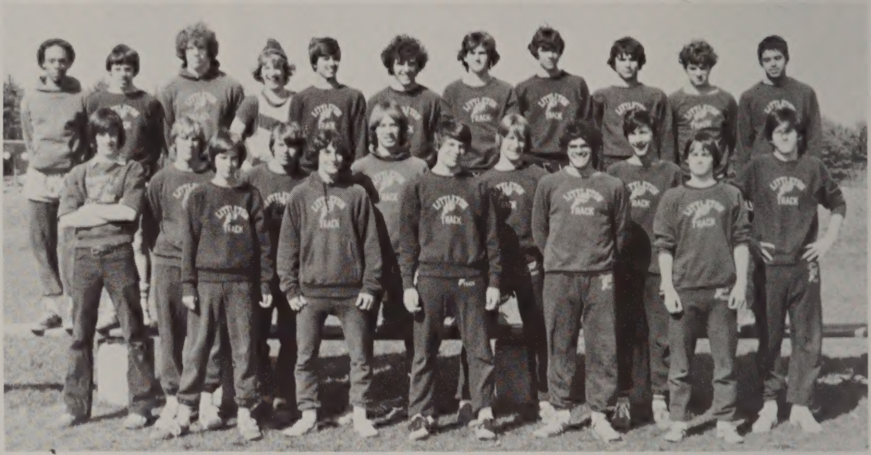
Building For The Future

The track season was considered a success in 1976, although the record was four wins and five losses. The exciting part of the season was the mass improvement among individual team members. Captain Barry Dusti was the only senior on the team, and although he will be missed it did give the team a chance to build for the future. The freshman and sophomore members of the team advanced and great things are expected of them.

The stars of the team were the juniors. Many of these boys were outstanding and if all perform to their capabilities, we should have an excellent team in 1977. The coaches hope to see many records broken this season.



FRONT ROW--Gary McGoff, Brad Held, Timmy McMurdo, Henry Whitcomb, David Dallaire, Paul Kerrigan, Kenny Birse, Andy Ursch, David Rausa, Tommy Purcell, Mike Kilpatrick, Richard Bibbons. A Taste Of Success

The Littleton High School tennis team of 1976 worked their way through a smashing season. The team, comprised of about twenty members, won the Wachusett League Trophy for the second consecutive year. In the fourteen game season, the team only lost one match. Four members of the team are seniors, Bob Megee, Rob Lingham, Gary Graham, and Jeff Butterworth. Bob and Rob were co-captains this year. The coach, Mr. Webster, and the entire team are to be congratulated for their efforts in making Littleton the Wachusett League tennis champions. The class of seventy-seven wishes the future tennis teams the best of luck.

JV--It was a time for beginnings. A new team and a new coach set out to learn the elements of winning. After an active practice season, we went into the league games with hope. Though suffering losses, the team learned and grew during the season. High points were a decisive victory over Lunenburg and an exciting near win over the tough Nashoba team. We look forward to a much more successful season next year.

The 1976-77 football season was an exceptional one in every way. The 9-1 record and Wachusett League Co-Championship only tell part of the story. Success only comes through hard work and dedication and the boys on this year's team personified these qualities. Another quality that was instrumental in our success was the exceptional leadership of our Co-Captains, Paul Crory and Rich McGrath along with a great group of Seniors: Paul Kerrigan, Jim Devaney, Tom Cone, Jim Crory, Gary Graham, Michael Hunt, Dennis McKenna, and Steve McLocklin. These boys gave us a season to remember along with setting a high standard of leadership and excellence for all future classes to look up to. They can be mighty proud of their contribution to the ongoing football tradition at Littleton High School.

For the fifth straight year we began our season with a week of intensive training at football camp at Bridgton Academy in Bridgton, Maine. The opening game saw us take on a new rivalry and much bigger school in Newton South. Our 27-8 victory gave us the indication of things to come. The second game saw us come from behind in the second half to take a tough 20-13 decision over last year's League Champs, Lunenburg. The next two games saw us roll over Narragansett, 20-0, and Tahanto, 42-24. Then we entered a three week period meeting some of the strongest teams in the League. We scratched out a 13-8 victory over Oakmont and then were involved in an unforgettable overtime with North Middlesex. The game was a struggle from the start to the finish and ended in a 0-0 score. We scored the only touchdown of the game in overtime to pull out the victory, 6-0, in a very emotional game. The next week saw us start out totally flat and quickly fall behind 21-0. But these boys did not know how to quit and battled back to fall only 1 point short, 21-20. This game seemed to turn us around

as we proceeded to storm over Murdock 33-0, and Nashoba 33-13.

The high point of the season was saved for last. We met Westford on Thanksgiving Day with both teams sporting 8 wins, 1 loss records. This game was for the Wachusett League Co-Championship as well as the pride at stake for each team. The largest football crowd in Littleton's history jammed onto the field to enjoy the game. The Littleton team seemed to reach an emotional and physical peak together as we took the opening kickoff and exploded Westford and gained a tie for the League Championship with a 32-16 victory. With that high note the season came to a fitting end and the 1976 Football Team will always be remembered as "The Champions."

Hard . . .

The 10-3-1 record of the 1976 Junior Varsity field hockey team mirrored the enthusiasm with which they approached the season. Varsity also had a commendable season, but the success felt by its members didn't show up quite as much in their 6-6-2 record. The seniors; Janice MacDougall, Chris Zdanowicz, Becky Brooks, Veronica Lane, Ellen Whitcomb, Becca Todd, Debbie Oglivie, Becky Whitcomb, and Nancy Parsons left holding great memories and much pride for playing on the Tiger team.

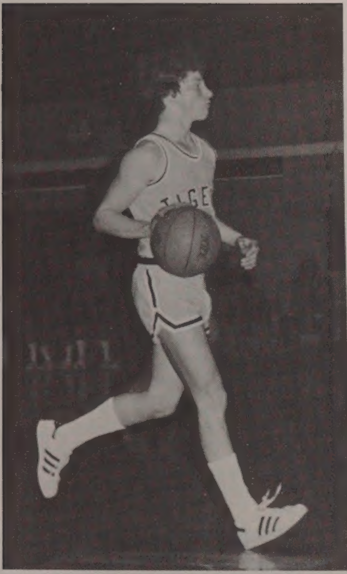
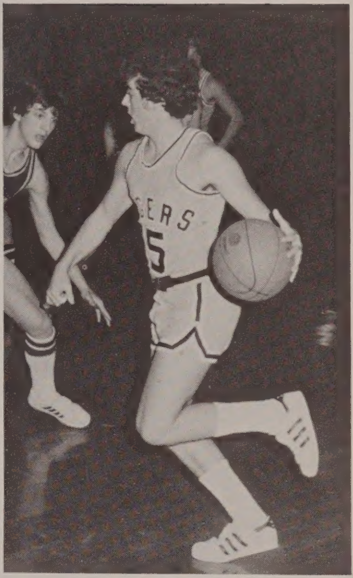
The cross country team had one of its best seasons. The group maybe small, but they are determined. Girls are not excluded from this sport, three girls joined the team this year and did well in many of the races. There were four seniors in cross country this season, and this was not the first year for any of them. Dave Birse, Margaret Chase, Pat Callahan, and Jeff Leving (who took all of the pictures for this team, excluding himself) were the four senior participants.

Follow The Bouncing Ball





The boy's varsity basketball team is having a season filled with wins. Coach Popolizio and the team have worked hard to obtain their success and it has paid off. There are five senior members which Littleton High will regret losing from this team. They are Paul Crory, Paul Kerigan, Jim Jordan, Dave Coole, and Tom Cone.

Memories, like the corners of my mind.
Misty water colored memories,
Of the way we were.
Scattered pictures, of the smiles we left behind,
Smiles we gave to one another,
For the way we were.
Could it be that it was all so simple then,
Or has time rewritten every line?
If we had the chance to do it all again,
Tell me would we, could we?
Memories may be beautiful, but yet
What's too painful to remember
We simply choose to forget.
But it's the laughter, we will remember,
Whenever we remember
The way we were.
